

Rotary International in Ireland
District 1160

Rotary Volunteers Required

Volunteer to do good and at the same time help your club – the “work” is simple requiring little effort or input and provides significant benefit to your club.

Interested?

Rotary Clubs in District 1160 have, for many years, been involved in the Eirex Postal Measurement Survey, which has provided a useful source of funds towards club Foundation Contributions to the Annual Programmes Fund, which has a target of \$100.00 per member – “Every Rotarian Every Year”. Participation in the survey by individual club members’ result in the club being credited with a share of the total amount received for our collective efforts in the activity. The amount credited to Club contributions is related directly to the number of members taking part. At present, this amounts to €110.00 per member – no mean amount.

Participants are eligible to take part in the scheme for a limited period of time and so, there are, from time to time, additional participants required to act as either “droppers” or “receivers” or, indeed both. By volunteering to take part in the survey you will be assisting, your club achieve its target of giving to the Annual Programmes Fund.

For further details on how you can help, please contact me at alan@alanjones.ie
